

## PREFACE

This is the **OFFICIAL AVERAGE BOOK** compiled by the Lancaster USBC Association. This book will be used to determine the official averages for all local tournaments.

The Lancaster USBC Association accepts no responsibility for errors (except typos), in compiling this statistical record, but places the responsibility on the individual bowler to use his/her correct average(s) and correct name (as issued on his/her current USBC card). All names and averages were taken from the Final Average Forms provided to League Secretaries by this Association. If these records were vague or incorrect there is no guarantee that the listed name or average is correct. Therefore if any bowler thinks his/her average is incorrect he/she should first check with his/her League Secretary.

The Association Manager of the Lancaster USBC Association commends all League Secretaries who conscientiously fulfilled their duty in forwarding names and averages with which to make this average book as complete a possible.

To secretaries who are negligent in furnishing this requested information on time, you have not fulfilled the duties of your office. Hence it is possible numerous eligible bowlers will be omitted from this recorded average book.

Copies of this publication are given to each Bowling Establishment, The PSBA Tournament Secretary, the PSBA Seniors Tournament Secretary, Pa. State USBC Women's Bowling Association and National USBC Headquarters. Therefore it will not be necessary to have your entries for these Tournaments verified by the Lancaster USBC Association Manager before being sent to these tournaments.

Averages published here are for the past season and for only 21 games or more in USBC Sanctioned Leagues only.

**SUMMER LEAGUE AVERAGES ARE NOT RECORDED  
IN THIS PUBLICATION**
